Book Buying Program

(Due to budgetary constraints, we are not buying books at this time. We do accept donations, or exchange for store credit)

Here, at A Freethinker's Corner, we carry a wide variety of new and used books, and love to keep our shelves stocked with new titles. We're always looking to acquiring additional fiction and nonfiction titles, hardcover and paperback, and we thank you for your interest in keeping the books we have to offer varied and fresh. Please read our book buying policy below before contacting us or stopping by.

This is how our program works...

- We only accept books during our book buying hours (Wed-Fri from 10am-4pm). We will go through them while you wait. This may take a bit, depending upon having to do any searches. Please plan accordingly.
- On a walk-in basis, we will only accept up to 15 books at one time. If you wish to bring more than 15, or any rare/antiquarian/collectible books, please call or email the store to make an appointment to drop them off. Depending on the number of books or research involved, they may need to stay with us for a few days. Keep in mind, we are not appraisers, and will do our best to offer you a fair value. We will go through them as quick as possible and contact you when we're finished.
- Whether as a walk-in or drop-off, we may not accept all of the books you bring us. Our staff reserves the right to pass on any book(s) they deem unusable. Any unpurchased books must be removed by the owner.
- Generally, A Freethinker's Corner will pay cash at a rate of \$0.50 for mass market paperbacks, \$1.00 for trade paperbacks, and \$ 2.00 for hardcovers (a store check will be written for totals over \$50). Store credit will be issued at a rate of \$0.75/\$1.50/\$3.00, respectively. Exceptions may be made (ie larger trade paperbacks/hardcovers, smaller children's books, specialty books, etc). For large lots of books, a flat rate may be offered.
